Dear Mrs. Hon

My name is Aldo Ballesteros and I'm excited to apply for the Graphic Designer/Webmaster role at The Mom Project. I saw your job posting and felt it was a great match for my skills and interests. I'm a hardworking high school student with a 4.0 GPA and a strong passion for design and web work.

I've gained valuable experience both in school and on the job. I worked nearly two years at Fred's Orange Grove as a sorter, where I developed attention to detail and strong visual skills—both important in graphic design. I've also been learning tools like Adobe Photoshop, Canva, and basic website builders to sharpen my design abilities.

I'm eager to learn more and contribute to your team. I believe I can bring fresh ideas, a strong work ethic, and creative energy to the role. I'd love the chance to talk more about how I can help your company.

Please call me at 559.895.2399 or email me at [treeamigos559@gmail.com](mailto:treeamigos559@gmail.com) to arrange an appointment time that suits you.

Thank you for your consideration, and I look forward to hearing from you soon.

Respectfully
